Dr. Woods offers music lessons for piano, guitar, drums, violin, cello, mandolin, dulcimer, ukulele, banjo, woodwind, voice and brass instruments. We recognize that your personal interests are important; we want learning an instrument to be fun for you. Some students may want to learn only basic playing skills while others might want instruction in music theory. Perhaps you've had some musical training or none at all.

Dr. Woods in Fox River Grove provides lessons for students after school or on weekends! Whatever your musical interest and whatever your age, our instructional staff can help. If you're just starting out or looking to strengthen existing skills, our instructional staff can improve your skills and find your talent.

Cost per lesson: 1/2 hour is \$22 or 1 hour for \$44. **10% of your first months lessons will go to the FRG PTO.** Fill out the form below and submit to Dr. Woods.
